**Please select which Clamps you wish to order and fill out the quantity and subtotal areas.**

“The Right Clamp”™ is a tool to assist model builders and others by holding two relatively flat parts at 90° for gluing or other work. Visit [www.coffmaneng.com](http://www.coffmaneng.com) for more information.

“The Splice Clamp”™ is a tool to assist in holding parts edge to edge or end to end.
